Credentifying the individual were as qualification, and with these to pass four set of guards because was to be had to the allroom. These guards were duty when the meeting was duntil 2 o'clock this afternoon than Theatre.

We have been too much given to eloquence," said Chairman Lyan in presenting the next speaker. We have been superb in passing resolutions, but we have not been so efficient in carrying them out. Ireland has need of time until noon. Themas P.

Scheduled to start at 10 o'clock, these preclamations against the admission of Redmonditen delayed the opening of the meeting until noon. Thomas P. Tuit, who introduced himself as the president of the Star-Ppangled Banner Society, took the platform while a few hundred were waiting to announce that the unexpurgated edition of the anthem would be ang at the meeting.

Star-Spangled Banner Unfolded.

"I am going," said he, "to give you the true version of 'The Star-Spangled Banner, not the emasculated version, but the pro-British version, which has been used as propaganda in the public schools. That at best is a lie."

"Cut that out!" cried a man named O'Cenner. "You'l have talked long enough.

"We have heard enough of you!" cried another.

"You'l hear more," said Tuit, who had distributed copies of the anthem bearing the imprint of "The Irish World." On the leaflet was this little.

cried another.
"You'll hear more," said Tuit, who had distributed copies of the anthem hearing the imprint of "The Irish World." On the leaflet was this little-

and ney, of Pennsylvania, in School and Society, may be briefly stated. A university is an intellectual experiment the station, where new ideas may germinate compand where their fruit, though still distance that the stateful to the community as a whole tasteful to the professional tasteful to the professional tasteful to the professional tasteful to the professional tasteful No Opposition to Ticket.

There was no opposition to the station, where new ideas may germinate and where headed by John Philadelphia, provides for committee headed by John Philadelphia, provides for committee of sixty memorative committee of twelve distinct the committee of the way, Mr. Ryan began the address with a tribute to the high character of those present, and the declaration that not even in the dars when the Land League was formed when the Land League was formed when the Land League was formed when the calculations more critical in Ireland. "On this eve of we know not what, when the eyes of all nations are turned on our Capitol," he went on, "we come to say this to the nation and to Wash of Ireland, to aid in the inof Ireland.

honor and vitiates all his efforts for DR. HAISELDEN WON'T

"Once this idea of the university is firmly established the question of academic freedom vanishes. The members of a university must be free and uncensored if it is to function properly.

[Fr Cable to The Tributes] censored if it is to function properly, for a university is not an agency for the preservation of any particular old doctrine or the promulgation of any particular new one; it is not even an agency for character building, in so far as that means setting up a preconceived hierarchy of ideas in the young mind. "It is entirely a place for the germination of ideas and the discovery and propagation of fact, for research is essentially a process of setting fact to hatch out some more facts. It is a place where one can get in touch with the thinking of the past and present and contribute to the thinking of the future.
